

Created my VirtualBox environment and added Windows 11 64bit ISO to it

Started Running Windows 11

Created user in Active directory

Input information on new User

Windows11 [Running]

Microsoft account

If this account is for a child or teenager, consider selecting **Back** and creating a Microsoft account. When younger family members log in with a Microsoft account, they'll have privacy protections focused on their age.

If you want to use a password, choose something that will be easy for you to remember but hard for others to guess.

Who's going to use this PC?

Rodney8080

Make it secure.
